It's happening! The Lifeline Canberra Southside Bookfair is back

It's happening! The Lifeline Canberra Southside Bookfair is back! We are registered as a COVID Safe event. For your safety, the event will be held on strict accordance with ACT Health regulations.

Due to restrictions associated with COVID there will be limited numbers allowed at Tuggeranong Southern Cross Stadium – please be patient as we know many people in the community are eagerly awaiting the return of our Bookfair.

With books, games, puzzles, DVDs, CDS and so much more, everyone can find their perfect item at the Lifeline Canberra Southside Bookfair.

Inviting all Canberrans to visit the Southside Bookfair on Thursday, Friday, Saturday and/or Sunday (10, 11, 12, 13 December), Lifeline Canberra CEO Carrie Leeson said every book purchased contributes vital funds to support those within our community.

"Lifeline Canberra are taking the lead in re-imagining community connection. Connection is so important, more so going into the festive season, and we are

taking every opportunity to safely engage with the community and have them engage with one another” Carrie Leeson
